### **CHRIST CHURCH**

Dear Sir/Madam

#### **Child Month – May 2024**

Once again, the Child Care Board will be celebrating Child Month during the month of May. This period is intended to focus national attention on children and issues that impact their overall development and well-being. In addition, Child Month is intended to remind the nation of its responsibility to our children and afford them the opportunity to reach their potential.

The theme chosen for Child Month 2024 is **"Our Children: Building Hope and Resilience for Tomorrow."**

During May 2024, the Child Care Board will aim to achieve the following:

1. focus attention on the children of our nation;
2. encourage adults and caregivers to create environments of optimism for our children thereby establishing an enthusiastic view of the future.
3. instill resilience and build confidence in our children so that they can withstand adversity and recover quickly from difficulties.

To this end, the Child Care Board is pleased once more to invite the participation of the religious community in spreading this message during your various services throughout the month. Please be informed further that **Saturday, May 4, 2024**, has been designated as Children's Sabbath, and **Sunday, May 5, 2024**, has been designated as Children's Sunday.

Should you need additional information, please do not hesitate to contact the undersigned Officer at the telephone number 535-2800.

Yours faithfully
